Snow Train to Begin Thursday Morning

[Duluth, MN] The City of Duluth Street Maintenance team will start removing accumulated snow from Superior Street on Thursday, December 19th in downtown to ensure safety and accessibility for pedestrians. City staff will start on Superior Street from 6th Avenue West and work their way East. Work will take place overnight on Thursday from approximately 2:00-7:00 a.m. No parking signs have and will be posted before the snow removal begins. Depending on progress, this work may extend into the work day on Thursday morning.

The City advises the public be aware of posted signs and adhere to the parking restrictions to prevent ticketing and towing.
